

Dear Parents and Guardians,

First, we want to thank everyone for the time and enthusiasm your daughters have shown throughout the tryout process. This was an incredibly difficult decision for us as coaches, and we want you to know that it was not an easy one.

With 25 players, we have a talented group of girls who all deserve the opportunity to enjoy the game. However, we also have to be realistic about what is manageable on game day. With this many players, it becomes difficult to provide meaningful and fair playing time to everyone.

Rather than asking any players to leave the team, we have decided to keep **all 25 girls** and organize the team into **Varsity and Junior Varsity (JV)**.

All players will practice together. Varsity players will have a regular game-day roster, while JV players will participate through a rotating **Game-Day Roster**. This approach will allow us to manage game-day numbers while giving our JV players meaningful opportunities to play throughout the season.

How the Game-Day Roster will work:

 **All 25 players remain part of the team and attend practices.**

 **Regular practice attendance is expected.** Unless there is a medical reason or exceptional circumstance, attendance will be considered when determining game-day playing opportunities.

 **20 players will dress for each game:** 17 Varsity and 3 JV.

 The remaining 5 JV players will not dress for that particular game.

 **A fair and transparent rotation schedule** will be created at the beginning of the season so everyone knows when they are scheduled to dress.

We also want to be clear that being on JV does not mean a player is less important to the team. Most importantly, we hope this system encourages the girls to support one another. Soccer is a team sport, and every role matters. Whether a player is on the field or supporting her teammates from the sideline, she is an important part of this team.

We appreciate your understanding and support as we work to create the best possible experience for **all of the girls**.

Thank you,

Mark Kotsovos + Shilee Little

These are the rosters for Varsity and JV. Please note that the fee for Varsity is \$50 and the fee for JV will be \$25 (due to fewer games). If your player is on JV and you have already paid the full \$50, we will reimburse difference back.
